SIM Grant

Community Health Partners (CHP), the public health provider for Sioux County, is pleased to announce that they have been awarded a grant to implement the State Innovation Model (SIM) initiative in Sioux County. CHP is one of only 6 grant recipients state-wide.

Through the SIM program CHP will collaborate over the next 3 years with the 4 hospitals in the county, as well as community partners and community members, to integrate public health and primary medical care to transform the health care delivery system, with the goal of a healthier population and decreased health care costs.

The SIM grant will allow CHP and its partners to continue our efforts to make Sioux County a healthy place for all to live, work, play and learn.

Partnering to promote and protect the health of all residents of Sioux County.
